September 9-11, 2008

Hilton Hotel, Lafayette, Louisiana

## Together We Can

### *Hand-in-Hand for Children!*

Mark your calendar to join us for an expanded, three-day, interdisciplinary conference. We will have in-depth sessions focused on CASA and CAC on the first day (open to all). The official welcome will be on Wednesday morning and we will experience many wonderful speakers and get lots of great information. The third day will include more child-focused sessions, wrapping up at a keynote luncheon. Afternoon institutes will be available for those want to earn extra CEUs and may not be traveling long distances. Both CLE and CEU credits will be available, including Ethics and Professionalism. **Plan ahead! All attendees must pre-register—space will be limited.**

The annual Vermilionville evening event and awards for service to children will be on Wednesday evening—you do not want to miss the fun, the door prizes, the food and the dancing!
